

# SILVER GLEN STABLES

## Barn Rules

Barn Hours: 7 AM to 10 PM Daily

Arena Hours: 7 AM to 9 PM Daily

Stable Office Hours: 8 AM to 5 PM Monday - Friday  
(Exceptions made with prior notice to Stable Managers.)

1. Horses must be attended at all times if not in their stall or turnout.
2. Dogs are forbidden on premises, whether in a car, truck, trailer, or your pocket. Overnighters are the only exception.
3. Please obtain the REQUIRED "Release Form" from the Stable Managers if horse is to be ridden by any person other than the owner.
4. Please do not smoke on premise. We've had a hay fire – it's no fun!
5. Any child under the age of 12 must be under direct supervision of an adult at all times. Running, screaming, and fence climbing are not allowed, as well as playing in that wonderfully enticing but itchy haystack.
6. A properly fitted nylon/leather halter with a lead rope for your horse is required on its stall/pen door. Please, no rope halters or bull snaps on lead ropes.
7. Please do not tie your horse to anything but the ring in the stall or the provided crossties in the grooming areas.
8. If you or your horse did it, please clean the mess up before someone steps in it. This includes all areas, except the two arenas, turnout pens, and round pen.
9. Please sweep up hair and pick up manure in the wash rack/grooming areas before your horse leaves the area. Hair & manure can be deposited in manure buckets.
10. For safety reasons, horses are not allowed on the cement in the patio area.
11. Please park vehicles in designated areas only.
12. Please do not ride in barns.
13. Turnouts are only allowed in the front arena when no riders or jumps are present. Turnouts are not allowed in the covered arena. Riders or exercising your horse take precedence over turnouts. Before moving a horse, other than your own, from an arena or turnout pen to another location, please check with owner. If owner is not available, put horse back in his/her stall.
14. Haul-ins must first check in with Stable Managers and pay the arena usage fee.

15. The hay stack is off-limits. If you are caught or ratted out taking hay/bedding, your monthly bill will be adjusted accordingly.
16. Please notify the Stable Managers immediately if you or your horse break something or are injured.
17. Please do not play radios, CDs, or tapes in the barns. Music is allowed in the arenas for musical presentations but only under the supervision of either the Stable Managers or your Instructor.
18. Please help us recycle trash by placing all paper, plastic & glass in the white trash barrel labeled "Recycle" by wash rack. Deposit all other trash in white trash barrel on patio. Dump bad feed in any available muck bucket.
19. Please notify Stable Managers if your horse is to be off property and the approximate date of horse's return.
20. The residence on property is private. We ask that you respect our privacy and do not enter, unless invited.
21. Please be respectful of our instructors, other boarders, **and** their property.
22. Please address all matters to the Stable Managers.

**Your cooperation and compliance with our rules will make it possible for SILVER GLEN STABLES to give your horse the very best care possible.**
